

Harney County Wolf Advisory Committee 2025

Funding priorities

1. Man-hours (range riders, increased presence, etc) *\$25/hr max
2. Prevention, including guard animals and supplies (fladry, fox lights, guard dogs, etc.)
3. Technology (drones, thermal instruments, etc) *availability of similar technology within close proximity will be evaluated

Valuation table for 2025 confirmed depredations

*Bred cows, Bred BM cows, and 200-300# calves are per head, rest are per 100#

Lean Cows		\$169
